Dear Sir

FORCIBLE REMOVAL OF MY LICENSED GUN FROM MACHOL FISH FARM

Further to my letter dated 6 March 2007, sent by registered AD and courier at the above mentioned address and despite several reminders, phone calls and despite your promises to return my property, you have not yet returned my licensed 5 shot s/auto SRB-NS 05758, made in Japan shotgun and Original Arms License No. 242/ Association dated 17-03-86 issued to Khalid Ahmed Memon.

As mentioned in my letter of 6 March 2007, I had handed over this shotgun with authority letter to my Manager Master Ahmed Mallah for my personal security and of Machol Lake, Deh Gulbahar, Sakhi Badshah Stop, Jati Road, Sujawal, where I am a full partner with share and ownership of 172 acres of land in the fish farm. This shotgun is also registered with the Sujawal Police Station.

You had forcibly removed this shotgun to another location without my knowledge or permission, which is highly immoral, unethical and illegal. I am unaware of the present condition of my shotgun, its whereabouts or its present use. It has been a year now since you took away my shotgun and I am very worried about where my shotgun is being used.

As such, I hereby give you a **final 7 days notice** to return the same shotgun in original condition with original license, failing which I shall have no alternative, but to report this matter to the concerned authorities and have an FIR lodged against the forcible removal of my property from my farm and take legal action for the recovery of my shotgun.

Yours sincerely

Khalid A. Memon
